

CELEBRATING Dyslexia

October is Dyslexia Awareness Month

Hill School of Wilmington • NEWSLETTER • OCTOBER 2022

DYSLEXIA ISN'T A DISORDER, IT'S ESSENTIAL TO HOW OUR SPECIES ADAPTS, SAY RESEARCHERS

Dyslexia can make reading and writing difficult, but is also associated with skills such as creative thinking and problem solving. People with dyslexia have brains that are geared towards exploring the unknown, a trait that's been crucial to the survival and success of humans.

Read more about the research in an article from BBC Science Focus [HERE](#).
